WEDDINGS

# *Say “I do”*

## *At The Sessions House*

Your wedding day is the one moment where the world should revolve entirely around you. At The Sessions House, it actually does.

We believe that a love story as special as yours deserves a setting that is completely its own. That is why we don't just offer you a room; we give you the keys to the castle.

For one unforgettable day, these historic towers, sunlit courtyards, and grand halls belong solely to you and the people you love most. No strangers, no interruptions—just complete privacy to laugh, dance, and celebrate in a world created just for you.

# *Location*

Conveniently situated in the historic market town of Spalding, The Sessions House is a unique wedding venue on the border of Lincolnshire and Cambridgeshire.

Just 20 minutes from Peterborough by car, and 90 minutes from London by train, our venue is ideally located for all your loved ones.

# Our History

For 180 years, this building has been the heartbeat of Spalding. It has stood strong through history, witnessing the changing world outside its walls.

Now, its purpose has softened. The rooms that once demanded silence now echo with laughter, and a space built for law is now dedicated entirely to love.

By marrying here, you aren't just booking a venue; you are writing your names into the next chapter of a local legend.

The energy is infectious, the laughter is loud, and the scene looks absolutely breathtaking against the historic stone façade of The Sessions House. It is the perfect contrast—timeless architecture meeting the vibrant, fleeting magic of a new marriage.

# Wedding Breakfast

We believe that the most cherished memories are often made around the table. Food is the soulful heart of your celebration, and our in-house catering is designed to be as unforgettable as the day itself.

From the very first bite of a luxurious three-course banquet to a charming afternoon tea, every dish is crafted with love and the finest ingredients. It is more than just a meal; it is a sensory journey tailored to your unique story, inviting your guests to linger, laugh, and feast in style.

# Reception

The reception is where the nerves fade and the celebration truly begins. It is a time for relaxed elegance—glasses clinking, guests mingling, and the room filling with the hum of happy conversation.

Whether it is the laughter during the speeches or the sweet tradition of cutting the cake, these moments feel even more special set against the grandeur of our historic rooms. It is the perfect bridge between the solemnity of the ceremony and the party to come, giving everyone a chance to soak in the joy of the day.

# Evening Party

As the sun dips below the horizon, a blissful new energy sweeps through the room. The atmosphere shifts—brimming with anticipation and the promise of a night you'll wish could last forever.

To bring this magic to life, our professional in-house lighting and state-of-the-art surround sound create a vibrant, immersive world, allowing you to lose yourself in every moment on the dance floor.

# *The Courtroom*

Step into the Courtroom and feel the hush of anticipation. With its soaring ceilings and Victorian grandeur, this space commands attention. Picture the moment the doors open: the soft glow of candlelight bouncing off the original timber, the collective intake of breath from your guests, and the long, dramatic aisle that belongs only to you. It is grand, yes—but today, it is entirely yours.

# *The Magistrate's Room*

There is a profound magic in the Magistrate's Room, a stately space where grandeur meets the quiet comfort of a crackling fire, offering a sanctuary for your celebration.

Beyond the grand celebrations lies the Chinoiserie Library, a space of remarkable character and warmth. Reserved exclusively as your private retreat, it provides a peaceful enclave where you can pause together and let the day's magic sink in. Whether you are seeking a moment of stillness or a sophisticated setting for your wedding photography, the library's refined charm offers a beautiful contrast to the vibrant energy of the festivities outside.

# *The Dressing Suites*

The morning of your wedding is a story all on its own. Whether you choose the moody drama of the Black Suite or the airy light of the White Suite, these rooms are your sanctuary. This is where the nerves turn into excitement, where the corks are popped, and where you take that final, deep breath before stepping out to start your new chapter.

# The Courtyard

Licensed for civil ceremonies, this sun-drenched space feels like a secret garden, perfectly designed for the laughter of a summer's day. Imagine your guests gathered for a relaxed barbecue or garden games, sipping chilled drinks as the afternoon drifts by. As the light begins to fade, the Courtyard is bathed in a soft, romantic glow—the perfect place to steal a quiet moment, wrapped in a blanket as the sun sets on your first day as a married couple.

# *The Summer Staircase*

Your journey begins at the Summer Staircase, your private entrance that invites you to savour those final, quiet moments before your celebration begins. The staircase offers a refined architectural backdrop for your portraits, capturing the grace and anticipation of the morning in a setting that feels both exclusive and timeless.
